Dear Mr. Offenbacher:

Your letter of August 31, 1971 has been received, and the information regarding further project review by the National Capital Planning Commission (NCPC) is appreciated.

Action has been initiated to develop the required preliminary master plan for review by NCPC. Also, the Agency is preparing to confer with the National Park Service relative to the continued use of the George Washington Memorial Parkway by Agency shuttle buses.

This office will continue with close coordination of all aspects of this project with your project coordinator and assures that every effort will be made to provide satisfactory data for the NCPC final review in a timely manner.

Sincerely,
